WATERMARK EXPLORATION LICENCE RENEWAL

Shenhua Watermark Coal welcomes the announcement from the New South Wales Government yesterday afternoon confirming that the Exploration Licence (EL) for the Watermark Coal Mine proposed for the ridge lands near Gunnedah has been renewed.

The EL significantly reduces the Licence area providing for the guaranteed safeguarding of prime agricultural land in accordance with Government Policy.

Shenhua is now progressing the necessary environmental management plans in accordance with both the Development Approval and the Environment Protection and the Biodiversity Conservation Act Approval held by the Company.
