Lions Club call for more volunteers

THE Gunnedah Lions Club has shown its support of the Gunnedah community for 56 years and is now asking for help in return.

President Stuart Muddle said the Lions Club is looking for new volunteers, with both male and female members welcome.

"Join us in our efforts to serve the community," Mr Muddle said.

"It's a wonderful way to make new friends."

The proactive Gunnedah Lions Club volunteers have raised approximately \$900,000 through fund-raising events over the past 56 years.

The majority of the proceeds are donated to the local community and donations are also made to Australian medical research organisations.

Major achievements include the original GS Kidd Memorial School, Gunnedah Information Centre toilet block, Lions Hall at Lundie House, and most recently

the RV Park along Mullaley Road, which was aided by Shenhua Watermark Coal.

Lions International is a wonderful organisation of fellowship and good times, where members can meet new people and form lasting friendships.

Learning new skills, while serving the community and promoting personal development of the towns youth through Lions Youth of the Year, are just some of the benefits of joining the Gunnedah Lions Club.

The club meets on the second and fourth Wednesdays of the month at the Gunnedah Services and Bowling Club from 6.30pm.

Lions are also hosting a "Bring a Friend" night on February 26, with a guest speaker from Santos.
