

Christmas cheer for volunteers

A GROUP of dedicated volunteers were thanked by Gunnedah Meals on Wheels for their efforts during the year at a Christmas celebration held yesterday.

The function, which was held at the Gunnedah CWA rooms, was a chance for Meals on Wheels committee members to pay tribute to the countless hours spent by a large group of volunteers in delivering meals to local residents.

One of the biggest volunteer groups this year has been staff from Shenhua Watermark. Twenty three Shenhua staff put up their hands to volunteer as part of the local Meals on Wheels program in April this year.

The successful multi-cultural venture was a first for a regional Meals on Wheels organisation.
